

“If you can read, you can do anything, dream anything and be anything.”

— Dolly Parton

ONLY 44% OF CHILDREN
in the Grand Traverse region
are ready for Kindergarten

BIRTH TO AGE 5 is the
most critical period for
brain development

READING ALOUD to a child is
the single most important thing
a parent can do to prepare their
child for kindergarten.

DONATE: dpil-gtregion.org

Books from Birth will encourage parents to read to their child with monthly home delivery of new, age-appropriate books from **Dolly Parton's Imagination Library**, inspiring their child's love of reading.

We need your help!

\$150 per baby* x 1500 Munson births per year = \$225,000 annually

*One book per month until the child's 5th birthday

Beginning October 1, we want every newborn at Munson Medical Center who lives in the Grand Traverse 5-county region to be offered a “community gift” of Dolly Parton's Imagination Library, a program that is always at no cost to families.

Invest in Our Community's
Children right from the start.
